DESCRIPTION OF DUTIES: *Applicant must reside in Clarke County, a surrounding county, or be willing to relocate.*

Under the Georgia Structural Pest Control Act, the Structural Pest Section (SPS) licenses and regulates pest management professionals, specifically those engaged in the business of structural pest control in the state of Georgia. The GDA SPS is searching for an Agriculture Inspector in the Division of Plant Industry. Under general supervision, this position performs routine inspections and comprehensive investigations to determine compliance with the Structural Pest Control Act and other state and federal laws. Inspection sites often include basements, attics and crawl spaces.

Duties also include:

- Writes technical inspection reports and other professional reports and/or correspondence;
- Provides technical expertise to the regulated community and public;
- Conducts training as requested;
- Creates and maintains a high level of performance that is consistent, high quality, customer-focused orientation when providing service to the general public and regulated community; and
- Other duties as assigned.

MINIMUM QUALIFICATIONS:

Vocational or technical degree in agriculture, horticulture, environmental science, pest control, entomology or a closely related field from an accredited college; OR completion of a high school diploma or GED and one year of experience in the area of assignment; OR two years of college which included 12 semester/20 quarter hours in chemistry or life sciences.

PREFERRED QUALIFICATIONS: Preference will be given to applicants who, in addition to meeting the minimum qualifications, possess knowledge, skills and abilities in the following areas:

- Degree in Environmental Science, Entomology, Biology or other related field;
- Experience in pest management, agriculture or environmental protection or a professional position working in the pesticide or chemical industry;
- Government experience in regulatory enforcement of pesticide laws affecting the environment;
- Working knowledge of scientific and technical principles applicable to pesticide usage as well as knowledge of laws and regulations relevant to the handling of pesticides;
- Experience with inspection/investigation procedures;
- Working knowledge of pesticide technology;
- Exceptional skills related to oral/written communication, public relations and customer service;
- Demonstrated team orientation aptitude, flexibility and desire for constant improvement;
- Working knowledge of Microsoft Office Suite.

NOTE: THE GEORGIA DEPARTMENT OF AGRICULTURE CONDUCTS BACKGROUND CHECKS ON ALL FINAL CANDIDATES.

HOW TO APPLY: WE ACCEPT STATE APPLICATIONS BY ANY TRANSMISSION LISTED BELOW. RESUMES MAY BE SUBMITTED IN ADDITION TO THE STATE APPLICATION.
